1. Introductions.
2. Review conference and competition agenda.
3. Preparation for tomorrow's workshop on BIM. BIM presentation expectations - SW download.
4. Potential joint meeting with Region IV.
5. No DVDs next year? Time and cost last year / this year.
6. Rules for compliance with NSC:
 - a. One coach.
 - b. No alternates.
 - c. One team per division.
 - d. Use of Internet, cell phones, etc. - Region 4 does not limit anymore simply because it is not enforceable.
7. Paper Review Dates (National). November 1st.
8. What to do with student presenters.
(See next item - perhaps charge for time that student will attend based upon events attended?)
9. What to do with faculty who want to attend the papers presentation only (arrive then leave).
(Perhaps charge for one meal plus gratuity?)
10. Delmar Cengage Initiative: Joe Pliss, Senior Technology Product Manager ; Jim Devoe, Senior Acquisitions Editor
11. Mid-year board meeting review.
12. Summary of other regions' approach to comps and meetings.
13. Discussion on NSC.
